

p4.3.1 Institution frequently updates its IT facilities including Wi-Fi

An IT policy for Wi-Fi and cyber security is available at Swami Atmanand PG College. College offering modern IT infrastructure with regular evaluations of current effectiveness. The College abides by the IT Policy's usage guidelines and the Software Policy's usage guidelines.

The following are the various academic requirements of the college that the institute uses software to satisfy: The institution has authorized software, namely Office Professional Plus 2019 and Windows 10. Similar to the operating system, SQL Server is part of the open-source software. Python, Dot Net, Linux, Java, and C, C++ are all programming languages.

The Central Library has an integrated library management system and is partially automated.

Name of the ILMS software: SOUL3.0

The college has three Smart Classrooms with Interactive Whiteboards and Projectors. To increase Internet bandwidth, upgrades are continually made to the campus network and internet access.30 Mbps upgrades to the lines. The College Web Committee is in charge of updating the college website.

High-end security for users and visitors can be provided by websites thanks to SSL (Server Security Layer). Data on the website is kept very secure by a firewall-enabled server.

Public Financial Management System (PFMS):

All transactions involving government funding at the College are done through the PFMS, where it is registered.

All staff members' personal information, both teaching and non-teaching, has been digitalized.

The Chhattisgarh government offers the e-pay roll facility, which is used to credit salaries.
