Dear Dr. Sumit,

The Government of India launched a campaign "Azadi Ka Amrit Mahotsav" to celebrate and commemorate 75 years of independence. Under this initiative, Ministries and Departments are hosting various activities for "Atmanirbhar Bharat".

In this regard, our office i.e. Office of Controller General of Patents, Designs, and Trademarks (CGPDTM), Department for Promotion of Industry and Internal Trade (DPIIT) launched the "National Intellectual Property Awareness Mission (NIPAM)", last year. This IP awareness programme successfully achieved its vision of imparting IP Awareness to one million students.

In continuation of this IP awareness drive, our office has launched the next version "NIPAM 2.0" to spread IPR awareness to a much larger part of society.

Therefore, in order to maximize the IPR awareness among our young generation, we have decided to conduct these programs school/colleges/ universities/institutions, so that all students of graduate and post-graduate along with research scholars and faculty members could attend these programs and get benefited.

We would like to invite your College/Department to avail the benefit of this special drive. The awareness programme will be conducted by experts from our office and there will not be any financial implications for your College/Department. After completion of the session, certificates in the name of participants, coordinators, and your College/Department will be provided by CGPDTM, DPIIT, Ministry of Commerce and Industry, Government of India.

We hereby request you to provide us details of coordinator with a suitable date, time and full name of College/Department with address for conducting the IPR awareness program in reply, so that the session can be planned accordingly.
