

GOVT. SWAMI ATMANAND POST GRADUATE COLLEGE

NARAYANPUR (CG)494661

Affiliated to Shaheed Mahendra Karma Vishwavidyalaya, Bastar, Jagdalpur, (C.G.)
Registered Under Section 2(f) & 12(b) of UGC Act

1.1.1

The organization employs a carefully designed and documented process to ensure the effective fulfillment of the curriculum.

Departments

The college is authorized by the UGC, New Delhi, and the Government of Chhattisgarh. It is affiliated with Shaheed Mahendra Karma University, Bastar, Jagdalpur. The college offers a range of undergraduate and postgraduate programs across various disciplines. Currently, undergraduate students are enrolled in B.A., B.Sc., B.Com., BCA, as well as diploma programs like D.C.A. The college also offers postgraduate programs M.A. in Economics, Geography, Sociology, Political Science, Hindi, English and M.Sc. in Chemistry, Botany, and Zoology all of which are operating smoothly. The curriculum is developed by the affiliated university and is revised as necessary. Notably, revisions were made to the one-year B.A., one-year B.Sc., and one-year B.Com. Currently, college offers Ph.D. program in Hindi, the curriculum for the 2023-2024 academic year.

To ensure effective curriculum delivery, the college implements systematic and strategic mechanisms:

Calendar of Academic Events

The college strictly adheres to the academic calendar established by the Department of Higher Education, Government of Chhattisgarh. The Principal actively monitors the efficient execution of this calendar through official meetings with department heads and, when necessary, informal discussions with faculty members. This ensures that all academic activities are conducted in a timely manner and that any issues are promptly addressed.

Teaching Plan and Teaching Diary

At the beginning of each academic year, every faculty member prepares a detailed teaching plan outlining the topics to be covered. They also maintain a teaching diary to record their daily teaching activities. This documentation is essential for tracking progress and ensuring accountability. The Internal Quality Assurance Cell (IQAC) conducts periodic assessments of course delivery through the Heads of Departments (HODs), facilitating continuous improvement in teaching practices. Faculty members are also encouraged to conduct extra periods and practical sessions as needed, ensuring that students receive the necessary hands-on experience. Proper records are maintained to reflect these additional efforts.

Laboratories

The college is equipped with well-maintained laboratories that are optimally utilized for practical course delivery. These facilities provide students with essential hands-on training, enhancing their understanding of theoretical concepts and preparing them for real-world applications in their respective fields.
