INTRODUCTION

28th February is celebrated as National Science Day (NSD) in India. On This day in 1928 Indian Scientist Sir Chandrasekhara Venkata Raman discovered a phenomenon of scattering of photons which was later known as 'Raman Effect' after his name. After two years in 1930, He got noble prize for his remarkable discovery and this was the first Noble Prize for india in the field of science. The discovery of his famous Phenomenon National Science Day is celebrate in india on the day each year.

In 1986, the National Council for science and Technology Communication (NCSTC) asked the Government of India to designate 28 February as National Science Day which the then Govt. of India accepted and declared the day as National Science Day in 1986. The first National Science Day was celebrated on February 28, 1987.

OBJECTIVES

The basic objectives of observation of National Science Day is to widely spread a message about the importance of Science used in the daily life of the people. National Science Day is celebrated as one of the main science festivals in India every year with the following purpose.

- * To widely spread a message about the significance of scientific applications among the people.
- * To display all the activities, efforts and achievements in the field of science for human welfare.
- * To discuss all the issue and implement new technologies for the development in the field of science.
- * To give an opportunity to the scientific minded citizens in the country.
- * To encourage the people as well as popularize the science and technology.
- * Creating interest among high school students about science and technology.

Sub:- Celebration of National Science Day (NSD) - 2019

Dear Sir/Madam

National Science Day is celebrated all over India on the 28th February every year with great passion and enthusiasm to instill the spirit of scientific reasoning and inquiry in young minds. The day is celebrated in commemoration of discovery of "Raman Effect" by the Indian physicist Sir C. V. Raman in the year 1928, which fetched him the prestigious Nobel Prize in physics in the year 1930.

Alongside the celebrations in the country, we at Govt Swami Atmanand PG College, Narayanpur, are organising several events ~~open~~ for college and school students in and around district Narayanpur. The details of the events are given in this brochure. In addition to various events on the 1st, 4th, 9th, 16th, 23th of February, we are also organising one day celebration of 28th February which includes visits of students and teachers of the veludictory session.

I take this opportunity to invite students from your school to take part in various competitions on the 1st, 4th, 9th, 16th, 23th and 28th of February and join us for the celebration. Please refer the brochure for details of the events and send the nominations for participation in the competitions to reach us one day before of the events.

On behalf of the Organising Committee, it gives me immense pleasure to once again extend a warm welcome to students and teachers from your esteemed ~~school~~ ^{Institute} to ~~participate~~ ^{again} extend participate in the events and make NSD a grand success.

Sub: To submit proposal for National Science Day Celebration- 28th Feb.2019.

National Science Day is to be celebrated in our State beginning from 28th February 2018 to mark the discovery of Raman Effect by Indian Physicist Sir Chandrasekhar Venkata Raman and his contributions in development of Science. Participation and involvement of Schools, Colleges, Universities, R&D laboratories will be encouraged with meaningful programmes (Popular Lecture-demonstration, Debates, Quiz/Essay competition, Science & Technology exhibition, Seminar/symposia etc.) drawn up to ensure a long term impact on different segments of the community during National Science Day celebrations. The theme selected for this year is "**Communicating Science for All**".

You are requested to submit a proposal, even spread over a month and even up to two months culminating/or beginning at the National Science Day. The proposal should not exceed the budgetary limit of Rs. 40,000/-. **Proforma** for submission of proposal along with **budget breakup** is enclosed herewith for your kind perusal. In the proposal please clearly mention '**Celebration of National Science Day-2018**'.

Kindly submit your proposal for the consideration of the Council.
